United Synagogue (US) Bereavement Training

The US is offering valuable bereavement training, free of charge, and while we already have three female members from Magen Avot signed up, we are still looking for at least one male to join. Delivered by Bereavement Care, the training will equip you with the skills to support members of our community during times of loss. It will be held on Sunday 30 November and 7 December from 10.30am to 4.00pm at Mill Hill Synagogue, and both sessions must be attended. Once trained, you may be called to help families when it is needed most. This is a meaningful opportunity to make a real difference. To express your interest or for more information, please contact David Berke.

New Community Initiative

We have launched a new initiative to deepen ties through shared meals on Shabbat and Yom Tov. A number of families have asked the Shul to help them reach out to people they don't know well enough yet, and to fix that through shared meals together. Patti Adler will be our shadchanit, matching hosts with guests. Please reach out to Patti by email if you would like to host: vicechair@magenavot.com.
